SPM-100 & SPM-K1

The SPM-100 Smartphone Static Pressure Meter is a powerful and accurate dual port manometer that fits in your pocket. The SPM-100 performs all of the functions of traditional handheld dual port manometers plus a many more features and advantages by harnessing the power of smartphone processors. The meter also includes a complimentary app that provides onscreen guidance to assist the user in taking complex measurements.

SPM-K1 kit combines the SPM-100 and the PRB-KIT probe kit into one convenient package and includes a brass gas fitting. The SPM-100 connects seamlessly and immediately to smartphones and tablets utilizing Bluetooth Smart technology.

The SPM-100 walks the user through several tests with onscreen guidance including:

- Static Pressure
- Pressure Differential
- Indoor vs. Outdoor Pressure
- System External Static Pressure
- Gas Pressure Test

Features

- Free app that connects the meter to your smartphone
- Onscreen guidance that makes it easy to take accurate readings
- Ruggedized housing with magnetic back for handsfree operation
- Emails professional detailed reports from within the app to enhance professionalism and validate work performed

Technical Data

Operational temperature range: -40°F to +185°F (-40°C to +85°C)
Operational temperature range full accuracy: -32°F to +149°F (0°C to +65°C)
Power: Panasonic 3.6V, CR 2450 Coin Cell Lithium Battery
Battery Life: >500 hours
Auto power off 30 seconds after closing or minimizing app or no connection
Units of Measure: inWC, inHg, psi, mmWC, mmHg, Pa, kPa, mBar
Resolution: 0.004 inWC
Pressure range: ±75 inWC
Dual Ports for rubber tubing 1/8” ID
Absolute Accuracy 0 to 65°C (32 to 149°F): typical .04 inWC
